DETAILED ACTION

Allowable Subject Matter

This Notice of Allowance is in response to the BPAI decision on 11/23/10.

Claims 1-12 and 14-26 of the 9/12/2008 copy of the claims are allowed.

Examiner's Statement of Reason's for Allowance

The following is an examiner's statement of reasons for allowance.

On 11/23/10 the BPAI Reversed the rejection of the claims. Please see the 11/23/10 BPAI decision.

As noted on pages 5, 6 of the BPAI decision, the BPAI stated that the prior art disclosed many of the features of the claims.

However, on page 8 and following, the BPAI stated that the prior art did not render obvious:

“receiving, from the first user, designation information of a third party product provider which the first user permits to view the cart identification information and to view product information which the first user associates with the cart identification information, and which provides a product related to the viewed product information as well as additional information related to the viewed product information, said third party product provider not having permission to view the cart identification and product information before receipt of the designation information.”

Hence, as stated on page 13 of the BPAI decision, “The decision of the Examiner to reject claims 1-12 and 14-26 are reversed.”

Hence, because of the 11/23/10 BPAI decision, claims 1-12 and 14-26 are allowed.
